Subject: CSX- VAT NEPA

As an FYI-

Due to the items regarding the easement for Rhode Island Ave, we suggested holding off on going forward with the public meetings regarding NEPA. The Rhode Island Ave easement is near completion. Therefore, we are going forward with the NEPA process. CSX is not necessarily happy with this, but I wanted to make sure you are aware. The interagency meeting is scheduled for July 28th and the public meeting is scheduled for September.

Thanks-
